

ABOUT US

The AIFC Academy of Law is an educational platform, established to provide educational legal programs on the AIFC Law.

MISSION

Provision of legal education that has global value.

OBJECTIVE

The main objective of the AIFC Academy of Law is to function as the education, information and promotional institution for familiarising the legal community with the AIFC legal system, principles of AIFC laws, and dispute resolution options – which constitute a core component of the AIFC value proposition.

STRATEGY

Strategy: prepare professionals for international commercial law practice; cooperate with international education institutions; provide of other educational services.

ACTIVITIES

The AIFC Academy of Law main activities are as follows:

- Training specialists for work in the AIFC jurisdiction;
- Legal publications to raise awareness of the AIFC and its jurisdiction;
- Organization of educational and informational events for the legal community including Legal Talks, AIFC Tour, Law Conference
- Provision of platform for providing free legal consultations by law firms to interested parties at no cost including AIFC Law Pro Bono
