After completing this course, the learner should be able to:

1. Understand rights and duties of shareholders, directors, supervisors and general managers;
2. Get knowledge of principles and practices of current Foreign Direct Investment regimes in China;
3. Know how to arrange the share structure in the company's corporate governance;
4. Realize the importance of separation of right of benefits and control and know how to take control of the corporate operation after financing;
5. Realize importance and skills of incentives for managers and employees by dividends sharing

Mr. Lei Shi

- ◆ Lawyer admitted in China
- ◆ Registered foreign lawyer in Hong Kong and AIFC
- ◆ Arbitrator Accredited Mediator (Thailand, UK, EU and China)
- ◆ Associate of SF Lawyers, in association with KPMG Global
- ◆ Email: shilei0302@hotmail.com

- ▶ LEI SHI is licensed in China and a corporate lawyer with experiences helping international clients with their business in Chinese market. Being involved in foreign direct investment in China, Lei was acting as sole legal counsel for foreign clients (well-known group companies) to fulfill their business plans in Chinese mainland and Hong Kong SAR. With several years of corporate services, Lei has profound knowledge and experiences in Corporate Governance; M&A; Labor and Employment; Intellectual Property; Corporate finance; incorporation, operation, dissolution.
- ▶ Lei also represent clients in courts, arbitration centers with right of audience in China and AIFC in Kazakhstan. With several years of dispute resolution experiences, Lei specialized in dealing with complex disputes arising from corporates (withdraw of capitalization, power of control, contractual & commercial, intellectual property, tort, piercing corporate's veil), individuals (high-value asset family matters and immigration).
