6.2.2 This Part is additional to the provisions of any AIFC Regulations or any other provisions of AIFC Rules that may apply to the incorporation of, or conversion to, an Investment Company, or that may apply to the operations and affairs and winding up of an Investment Company, including, for example, the provisions of the AIFC Companies Regulations, the AIFC Financial Services Framework Regulations, the AIFC Collective Investment Rules, the AIFC Insolvency Regulations and the AIFC Insolvency Rules.

- 6.3.7 Also, to remove any doubt, subrule 6.3.5 does not limit section 21 (Prohibition against use of misleading, deceptive or conflicting Company names) of the AIFC Companies Regulations.

- 6.5.1 The AFSA may, at any time and at its absolute discretion, revoke a consent given for an Investment Company under rule 6.3.3 (Incorporation of, or conversion into, Investment Company) if it considers it necessary or appropriate to do so in the interests of the AIFC.
- 6.5.2 Before revoking the consent, the AFSA must consider whether any necessary and appropriate steps have been taken to secure 1 or more of the following under the AIFC Insolvency Regulations:

- 6.6.4 However, a direction may not be given under this rule in relation to an Investment Company if an order appointing a Receiver or Manager, or a winding up order, has been made by the Court in relation to the Company.
- 6.6.5 If a direction is in force under this rule in relation to an Investment Company, the AFSA may, on its own initiative or on the application of the Company or its Fund Manager, revoke or the direction if it considers it necessary or appropriate to do so in the interests of the AIFC.

 - (b) on the date specified in the notice.
- 6.6.7 If the AFSA proposes to give a direction to a Person under this rule, or gives a direction to a Person under this rule with immediate effect, it must give a Written notice about the direction to the Person. - 6.6.8 A notice given to the Investment Company or a Director of the Company must:
- (a) give details of the direction; and
 - (b) explain when the direction takes effect; and
 - (c) state the AFSA's reasons for giving the direction and for its decision about when the direction takes effect; and
 - (d) tell the Company or Director that the Company or Director may make representations to the AFSA within the period specified in the notice.
- 6.6.9 If, having considered any representations made by the Investment Company or Director within the period specified in the notice, the AFSA decides:

- (b) to give the direction in a way other than the way proposed; or
- (c) if the direction has been given—to revoke, or not to revoke, the direction;

the AFSA must, as soon as practicable after it makes the decision, give the Company or Director Written notice of the decision and must, if the Company or Director requests, give the Company or Director Written reasons for the decision.

6.7. Investment Companies: Shares and Register of Shareholders

- 6.7.1 An Investment Company may issue fractions of Shares if authorised by its Articles of Association.
- 6.7.2 The AFSA may prescribe in rules made under the AIFC Financial Services Framework Regulations the form and contents of share certificates of an Investment Company and how share certificates may be delivered by an Investment Company.
- 6.7.3 Nothing in subrule 6.7.2 must prevent an Investment Company issuing share certificates in a dematerialised (electronic) form.
- 6.7.4 Subject to any requirements that may be made by the AFSA under any Legislation Administered by the AFSA, an Investment Company may, after giving notice by press release, directly communicating with its Shareholders, posting notice on its website and, if its Fund is listed on an exchange, giving notice to the exchange, close its Register of Shareholders for any time or times not exceeding, in total, 30 days in each year.

 - (b) the Fund Manager receives any share certificate in relation to the Shares.
- 6.7.6 If this subrule applies, the Fund Manager must cancel or make any necessary amendments to the share certificate and make any necessary deletion or alteration in the Register of Shareholders. The Fund Manager is then entitled to the Shares in relation to which the defaulting Shareholder's name has been removed from the Register of Shareholders until the Shares are cancelled or resold by the Fund Manager and the name of the purchaser entered in the register.
- 6.7.7 The Fund Manager of an Open-Ended Investment Company is taken to hold each Share during the times that neither the Fund Manager nor any other Person is entered in the Register of Shareholders as the holder of the Share.

- 6.8.1 The Articles of Association of an Investment Company may contain provision about any matter in relation to Share transfers for which provision is not made by the AIFC Companies Regulations or these Rules.

- 6.8.3 For section 54 (Transfer and registration of Shares and Debt Securities) of the AIFC Companies Regulations, an Investment Company may refuse to register a transfer of Shares if the transfer would result in a Contravention of any provision of the Company's Articles of Association or would produce a result inconsistent with any provision of the Company's prospectus.
- 6.8.4 Subject as otherwise provided in the Articles, an Open-Ended Investment Company must redeem its Shares at a price based on the net asset value of the property of the Company in accordance with and at such intervals as may be prescribed by its Articles of Association and any relevant Legislation Administered by the AFSA. Chapters 5 (Registers of Shareholders and Debt Security Holders and share certificates) and 6 (Redemption and purchase of Shares) of Part 7 (Private Companies and Public Companies) of the AIFC Companies Regulations do not apply to the redemption of Shares by an Open-Ended Investment Company.
- 6.8.5 A Closed-Ended Investment Company must not purchase any Shares of any class of which it is the issuer, unless it does so on an Exchange Facility or another open market approved by the AFSA.

- 7.3.2 To remove any doubt, the procedures prescribed by Schedule 2 are prescribed for the definition of Decision-making Procedures in Schedule 1 (Interpretation) of the AIFC Companies Regulations and any definition corresponding to that definition in any other Legislation Administered by the Registrar.
- 7.3.3 However, Schedule 2 does not apply in relation to the making of a decision by the Registrar of Companies so far as that Schedule provides that that it does not apply in relation to the making of the decision.
- 7.3.4 To remove any doubt, Schedule 2 does not prevent the Registrar of Companies from establishing a mechanism under which a decision made in accordance with that Schedule is reviewed by officers, employees or agents of the AFSA who were not involved in making the decision or by an independent third party who the Registrar considers competent to conduct the review.

7.3(A) Retention

8.2.3 This Part does not limit any powers of the AFSA under AIFC Financial Services Framework Regulations or any other Legislation Administered by the AFSA.

8.3. Incorporation of, or conversion into, Protected Cell Company

8.3.1 Subject to AIFC Companies Regulations and any other provisions of these Rules:

- (a) a Company may be incorporated, under section 143 (Incorporation of prescribed types of Company) of those Regulations, as a Protected Cell Company; or

(b) the AFSA has given its prior written consent.

- 8.3.3 An application for consent under rule 8.3 (Incorporation of, or conversion into, Protected Cell Company) in relation to a Company must be made to the AFSA by the Company or the Incorporator and must be in the form, contain the information and be accompanied by the documents and additional information, required by the AFSA.
- 8.3.4 The AFSA may only grant its consent, under subrule 8.3.2, where it is satisfied that the requirements under this Part or under other applicable Legislation Administered by the AFSA are met by the applicant. If the AFSA refuses to give its consent, the AFSA must, as soon as practicable after it makes the decision, give the applicants Written notice of the decision and, if requested by an applicant, give the applicants Written reasons for the decision.
- 8.3.5 Where under subrule 8.3.2, the AFSA grants consent following any representations from an applicant as to the proposed activities or objectives of the Protected Cell Company, including any such representations in a business plan, the Protected Cell Company must not carry out any activity or pursue any objective contrary to the effect of those representations without obtaining the further prior written consent of the AFSA.
- 8.3.6 A Protected Cell Company must, ensure that, whenever it uses its name, the name is immediately followed by the words 'Protected Cell Company' or the abbreviation 'PCC'.
- 8.3.7 To remove any doubt, the relevant words or abbreviations mentioned in subrule 8.3.6 must be used instead of any words or abbreviation that the Protected Cell Company would otherwise have been required or permitted to use immediately following its name under section 37 (Name of Private Company) or 38 (Name of Public Company) of the AIFC Companies Regulations.
- 8.3.8 Also, to remove any doubt, subrule 8.3.6 does not limit section 21 (Prohibition against use of misleading, deceptive or conflicting Company names) of the AIFC Companies Regulations.
- 8.3.9 Each Cell of a Protected Cell Company shall have its own distinct name or designation.
- 8.3.10 The Articles of Association of a Protected Cell Company must state that it is a Protected Cell Company.
- 8.3.11 A Protected Cell Company may alter its Articles of Association by Special Resolution to comply with this Part and any requirements imposed by the AFSA under or for those Rules.
- 8.3.12 A Protected Cell Company is a single legal person and the creation by a Protected Cell Company of a cell does not create, in respect of that cell, a legal person separate from the Company.

8.4. Revocation of AFSA consents

8.4.1 The AFSA may, at any time and at its absolute discretion, revoke a consent given for a Protected Cell Company under rule 8.3 (Incorporation of, or conversion into, Protected Cell Company) if it considers it necessary or appropriate to do so in the interests of the AIFC.

8.4.2 Before revoking the consent, the AFSA must consider whether any necessary and appropriate steps have been taken to secure 1 or more of the following under the AIFC Insolvency Regulations:

- (a) the appointment of a Cell Receiver in respect of 1 or more Cells;
- (b) the appointment of a Receiver or Administrative Receiver for the Protected Cell Company; or
- (c) the winding up of the Protected Cell Company.

8.4.4 On receipt of the notice under subrule 8.4.3, the Protected Cell Company must immediately give Written notice of the revocation of the AFSA's consent to:

- (b) each Shareholder of the Protected Cell Company.

8.5. Directions by AFSA

8.5.1 The AFSA may, in the interests of the AIFC, give a direction under this rule to a Protected Cell Company or any of its Directors.

8.5.2 Without limiting subrule 8.5.1, a direction under this rule may:

- (a) require the Protected Cell Company to cease the issue or redemption, or both the issue and redemption, of Shares or any class of Shares in the Protected Cell Company; or

 - (i) make a Cell Receivership Order in relation to one or more Cells;
 - (ii) the appointment of a Receiver or Administrative Receiver for the Company;
 - (iii) the winding up of the Company; or

- (c) require that the affairs of the Protected Cell Company be wound up otherwise than by the Court.

8.5.3 If a consent given for a Protected Cell Company under rule 8.3 (Incorporation of, or conversion into, Protected Cell Company) is revoked, the revocation does not affect the operation of any direction that is then in force in relation to the Protected Cell Company under this rule; and a direction may be given in relation to a Protected Cell Company under this rule if a direction was in force under this rule in relation to the Protected Cell Company when the consent was revoked.

8.5.4 However, a direction may not be given under this rule in relation to a Protected Cell Company if a Cell Receivership Order, an order appointing a Receiver or Administrative Receiver, or a winding up order, has been made by the Court in relation to the Company.

8.5.5 If a direction is in force under this rule in relation to a Protected Cell Company, the AFSA may, on its own initiative or on the application of the Protected Cell Company, revoke or the direction if it considers it necessary or appropriate to do so in the interests of the AIFC.

8.5.6 A direction under this rule takes effect:

- (a) immediately, if the notice states that it is to take effect immediately; or
- (b) on the date specified in the notice.

8.5.7 If the AFSA proposes to give a direction to a Person under this rule, or gives a direction to a Person under this rule with immediate effect, it must give a Written notice about the direction to the Person. If the AFSA gives a notice to a Director of the Protected Cell Company, it must also give a Written notice about the direction to the Protected Cell Company.

8.5.8 A notice given to the Protected Cell Company or a Director of the Protected Cell Company must:

- (a) give details of the direction; and
- (b) explain when the direction takes effect; and
- (c) state the AFSA's reasons for giving the direction and for its decision about when the direction takes effect; and
- (d) tell the Protected Cell Company or Director that the Protected Cell Company or Director may make representations to the AFSA within the period specified in the notice.

8.5.9 If, having considered any representations made by the Protected Cell Company or Director within the period specified in the notice, the AFSA decides:

- (a) to give, or not to give, the direction in the way proposed; or
- (b) to give the direction in a way other than the way proposed; or

(c) if the direction has been given to revoke, or not to revoke, the direction;

the AFSA must, as soon as practicable after it makes the decision, give the Company or Director Written notice of the decision and must, if the Company or Director requests, give the Company or Director Written reasons for the decision.

8.6. Cell Shares and Share Capital

8.6.1 Unless the context requires otherwise, for the purposes of application of the AIFC Companies Regulations and these Rules to a Protected Cell Company, a reference to a Share is taken to include a reference to a Cell Share and a reference to a Shareholder is taken to include a reference to a holder of Cell Shares.

8.6.2 A Protected Cell Company may, in respect of any of its Cells, create and issue Cell Shares. The Cell Share Capital shall be comprised in the Cellular Assets attributable to the Cell in respect of which the Cell Shares were issued.

8.6.3 The proceeds of the issue of Shares other than Cell Shares created and issued by a Protected Cell Company shall be comprised in the Company's Non-Cellular Assets.

8.6.4 A Protected Cell Company may pay Cellular Dividends in respect of Cell Shares.

8.6.5 Cellular Dividends may be paid in respect of Cell Shares by reference only to the Cellular Assets and liabilities, or the profits and losses, attributable to the Cell in respect of which the Cell Shares were issued; and accordingly, in determining for the purposes of Chapter 8 of Part 7 of the AIFC Companies Regulations, whether or not profits are available for the purpose of paying a Cellular Distribution, no account need be taken of:

(a) the profits and losses, or the assets and liabilities, attributable to any other Cell; or 33

(b) where a Shareholder has transferred part only of his holding back to the Protected Cell Company, in respect of the remainder of that holding;

(c) where a Protected Cell Company has registered a transfer of Cell Shares made to a person other than the Protected Cell Company;

(i) in respect of the Cell Shares transferred to the transferee; and

(ii) in respect of any Cell Shares retained by the transferor which were evidenced by any certificates sent to the Protected Cell Company for the purposes of registering the transfer; and

(d) in respect of any Cell Shares for which the certificate has already been issued but where it appears to the Protected Cell Company that the certificate needs to be replaced as a result of being lost, stolen or destroyed, or having become damaged or worn out.

8.7.2 Certificates need only be prepared in the circumstances referred to in subrule 8.7.1(d) if the Protected Cell Company has received:

- (a) a request for a new certificate;
- (b) the old certificate, if there is one;
- (c) such indemnity as the Protected Cell Company may require; and
- (d) such reasonable sum as the Protected Cell Company may require in respect of the expenses incurred by it in complying with the request.

8.7.4 Nothing in this Part requires a Company to prepare certificates in the following circumstances:

- (a) where the Articles of Association permit issuing Share certification in dematerialised form;
- (b) where a Shareholder has indicated to the Company in writing that he does not wish to receive a certificate; or
- (c) where legislation applicable in the AIFC provides otherwise for evidencing an entitlement to Shares.

- (c) be readily searchable by reference to the account of the Shareholder or by reference to a Cell;
- (d) be kept at all times at the same place as the register of Shareholders; and
- (e) be altered where necessary within fourteen days after the date of any alteration made to the register of Shareholders.

8.7.6 Nothing in rules 8.7.1 to 8.7.5 is taken to remove the Protected Cell Company's obligations to identify, obtain and maintain ultimate beneficial ownership information of its Shareholders and, the Registrar's powers to obtain such information, for the purposes of the AIFC Companies Regulations.

8.8. Share transfers

8.8.1 The Articles of Association of a Protected Cell Company may contain provisions about any matter in relation to Share transfers for which provision is not made by the AIFC Companies Regulations or these Rules.

8.8.2 For section 54 (Transfer and registration of Shares and Debt Securities) of the AIFC Companies Regulations, a Protected Cell Company may refuse to register a transfer of Shares if the transfer would result in a Contravention of any provision of the Protected Cell Company's Articles of Association.

8.9. Cellular and Non-Cellular Assets

8.9.1 The assets of a Protected Cell Company shall be either Cellular Assets or Non-Cellular Assets.

8.9.2 The Cellular Assets of a Protected Cell Company comprise the assets of the Company attributable to the Cells of the Company.

8.9.4 The Non-Cellular Assets of a Protected Cell Company comprise the assets of the Company which are not Cellular Assets.

8.9.5 Income, receipts and other property or rights of, or acquired by, a Protected Cell Company not otherwise attributable to any Cell shall be applied to, and comprised in, the Company's Non-Cellular Assets.

8.10. Prohibition on dealings or transactions between Cells

8.10.1 A Protected Cell Company shall not:

- (a) transfer a Cellular Asset attributable to one of its Cell to another of its Cell; or

- (b) merge or consolidate a Cell of the Company with, or into, one or more other Cells of the Company;

except under the authority of, and in accordance with the terms and conditions of, an order of the Court.

8.10.2 In considering whether or not to make an order relating to a proposed transfer, merger or consolidation referred to in subrule 8.10.1, the Court may:

- (a) require the applicant to establish to the satisfaction of the Court:
 - (i) that the creditors of the Protected Cell Company entitled to have recourse to the Cellular Assets attributable to the relevant Cells consent to the transfer, merger or consolidation as the case may be or otherwise would not have their interests unfairly prejudiced by the transfer, merger or consolidation; and
 - (ii) that the Shareholders of the Protected Cell Company and of each relevant Cell consent to the transfer, merger or consolidation as the case may be or otherwise would not have their interests unfairly prejudiced by the transfer, merger or consolidation; and
- (b) hear the representations of the AFSA, if any.

8.10.3 The Court, on hearing an application for an order under this rule 8.10, may make an interim order or an order adjourning the hearing, conditionally or unconditionally.

- (a) keep Cellular Assets separate and separately identifiable from Non-Cellular Assets; and
- (b) keep Cellular Assets attributable to each Cell separate and separately identifiable from Cellular Assets attributable to other Cells.

8.11.3 The duty imposed by subrule 8.11.2 is not breached solely by reason that:

- (a) a Director or an Officer of a Protected Cell Company cause or permit Cellular Assets and Non-Cellular Assets to be held:
 - (i) by or through a nominee; or
 - (ii) by a company the shares and capital interests of which may be Cellular Assets or Non-Cellular Assets, or a combination of both; or
- (b) a Directors or an Officer of a Protected Cell Company cause or permit Cellular Assets or Non-Cellular Assets, or a combination of both, to be collectively invested, or collectively managed by an investment manager, provided that the assets in question remain separately identifiable.

- (a) each Director and Officer in contravention, as the case may be, shall incur personal liability for any loss or damage as a consequence of the contravention; and
- (b) each such Director or Officer shall severally have a right of indemnity against the Non-Cellular Assets of the Company, unless he was fraudulent, reckless or negligent, or acted in bad faith.

- (c) where the transaction is in respect of a particular Cell, inform the person that the Cellular Assets of that Cell, and only those assets, are available to pay the obligations and liabilities of that Cell.

8.12.2 If, in contravention of subrule 8.12.1, a Protected Cell Company:

then, in any such case:

- (a) each Director and Officer shall incur personal liability to that Person in respect of the transaction; and

- (b) each such Director or Officer shall severally have a right of indemnity against the Non-Cellular Assets of the Company, unless he was fraudulent, reckless or negligent, or acted in bad faith.

8.13.1 Notwithstanding subrules 8.11.4 and 8.12.2, the Court may relieve a Director or an Officer, as the case may be, of all or part of his personal liability thereunder if he satisfies the Court that he ought fairly to be so relieved because:

- (a) he was not aware of the circumstances giving rise to his liability and, in being not so aware, he was neither fraudulent, reckless or negligent, nor acted in bad faith; or
- (b) he expressly objected, and exercised such rights as he had as such a Director or an Officer, whether by way of voting power or otherwise, so as to try to prevent the circumstances giving rise to his liability.

8.13.2 Where, pursuant to subrule 8.13.1, the Court relieves a director or officer of all or part of his personal liability under subrules 8.11.4 and 8.12.2, the Court may order that the liability in question shall instead be met from such of the:

- (a) assets of the relevant Cell in respect of which the person was dealing or transacting; or
 - (b) Non-Cellular Assets of the Protected Cell Company,
- as may be specified in the order.

8.13.3 Any provision in the Articles of a Protected Cell Company, or any other contractual provision under which the Company may be liable, which purports to:

- (a) avoid the incurring of personal liability upon a director or officer in the circumstances described in subrules 8.11.4 and 8.12.2; or
- (b) indemnify directors or officers in respect of conduct which would otherwise disentitle them to an indemnity against Non-Cellular Assets by virtue of subrules 8.11.4 or 8.12.2, shall be void.

8.14. Rights of creditors and implied terms

8.14.1 The rights of creditors of a Protected Cell Company shall correspond with the liabilities provided for in rule 8.17.

- (c) that if any Person shall succeed in seizing or attaching or otherwise levying execution against any Cellular Assets attributable to any Cell to satisfy a liability not attributable to that Cell, that Person shall hold those assets or their proceeds in a fiduciary capacity for the Protected Cell Company and shall keep those assets or proceeds separate and identifiable for that purpose.

8.14.4 All sums recovered by a Protected Cell Company as a result of any such obligation as is described in subrule 7.1.1(c) shall be credited against any concurrent liability imposed under the implied term set out in subrule 7.1.1(b).

8.14.5 Any asset or sum recovered by a Protected Cell Company pursuant to the implied term set out in subrules 7.1.1(b) or (c) or by any other means in the events referred to in those subrules shall, after the deduction or payment of any costs of recovery, be applied by the Company so as to compensate the Cell affected.

8.14.6 In the event of any Cellular Assets attributable to a Cell being seized, attached, levied or otherwise taken in execution in respect of a liability not attributable to that Cell, and in so far as such assets or compensation in respect thereof cannot otherwise be restored to the Cell affected, the Protected Cell Company shall:

- (a) cause or procure its auditor, acting as expert and not as arbitrator, to certify the value of the assets lost to the Cell affected; and
- (b) transfer or pay to the Cell affected, from the Cellular or Non-Cellular Assets to which the liability was attributable, assets or sums sufficient to restore to the Cell affected the value of the assets lost.

8.14.7 Where under subrule 7.1.1(b) a Protected Cell Company is obliged to make a transfer or payment from Cellular Assets attributable to a Cell of the Company, and those assets are insufficient, the Company shall so far as possible make up the deficiency from its Non-Cellular Assets.

8.15. Availability of Cellular Assets to creditors

8.15.1 Without prejudice to the provisions of rules 8.14 and 8.16:

- (a) Cellular Assets attributable to a particular Cell:
 - (i) are available only to the creditors of the Protected Cell Company who are creditors in respect of that Cell and who are thereby entitled to have recourse to the Cellular Assets attributable to that Cell; and
 - (ii) shall be absolutely protected from the Shareholders of the Protected Cell Company and from the creditors of the Protected Cell Company who are not creditors in respect of that Cell and who accordingly are not entitled to have recourse to the Cellular Assets attributable to that Cell; and

- (b) Cellular Assets not attributable to a particular Cell of a Protected Cell Company shall not be used to satisfy any liability attributable to that Cell.

8.16. Satisfaction of liabilities attributable to Cells

8.16.1 Where any liability arises which is attributable to a particular Cell of a Protected Cell Company:

- (a) the Cellular Assets attributable to that Cell shall be used to satisfy the liability; and
- (b) a creditor in respect of that Cell shall not be entitled to have recourse against the Cellular Assets of any other Cell or the Non-Cellular Assets of the Protected Cell Company.

8.17.1 The Court, on the application of the Protected Cell Company or of the creditor in dispute with the Protected Cell Company, and without prejudice to any other right or remedy of any Person, may issue a declaration in the matter of any dispute relating to any one or more of the following:

- (b) whether any creditor is or is not a creditor in respect of a particular Cell;

8.18.2 Subject to subrule 8.18.3, no transfer of Cellular Assets attributable to a Cell of a Protected Cell Company may be made except under the authority of, and in accordance with the terms and conditions of, a Cell Transfer Order.

8.18.3 Nothing in this rule 8.18 requires a Protected Cell Company to obtain a Cell Transfer Order to invest, and change investment of, Cellular Assets or otherwise to make payments or transfers from Cellular Assets in the ordinary course of the Protected Cell Company's business.

8.18.4 In considering whether or not to make a Cell Transfer Order in relation to a Cell, the Court may:

- (a) require the applicant to establish to the satisfaction of the Court:
 - (i) that the creditors of the Company entitled to have recourse to the Cellular Assets attributable to the Cell consent to the transfer; or

- (b) a Cell Receiver has been appointed in respect of the Cell or any other Cell of the Protected Cell Company.

8.18.8 A transfer under a Cell Transfer Order of Cellular Assets attributable to a Cell of a Protected Cell Company shall not of itself entitle creditors of that Protected Cell Company to have recourse to the assets of the person to whom the Cellular Assets were transferred.

8.18.9 The provisions of this rule 8.18 are without prejudice to any power of a Protected Cell Company lawfully to make payments or transfers from the Cellular Assets attributable to any Cell to a person entitled, in conformity with the provisions of this Part 8 (Protected Cell Companies).8.18 are without prejudice to any power of a Protected Cell Company lawfully to make payments or transfers from the Cellular Assets attributable to any Cell to a person entitled, in conformity with the provisions of this Part 8 (Protected Cell Companies).

- 6.1. Subject to the provisions of the Companies Regulations and without affecting any rights, entitlements or restrictions attached to existing Shares, a Share may be issued with the rights, entitlements or restrictions that the Company may decide by Ordinary Resolution.
- 6.2. Subject to the Companies Regulations, the Company may issue, or convert existing non-redeemable Shares, whether Allotted or not, into redeemable Shares at the discretion of the board of Directors.
- 6.3. The Company must not recognise a Person as holding a Share on trust and, except as otherwise provided by these Articles or the Companies Regulations, the Company is not bound by, and must not recognise, any interest in a Share except an absolute right of ownership.

7. SHARE CERTIFICATES

- 7.1. Unless the conditions of the Allotment of Shares provide otherwise, on becoming the Shareholder of any Shares, a Person is entitled, free of charge:
 - (a) to 1 share certificate for all the Shares of each class held by the Person; and
 - (b) to 1 share certificate for any additional Shares of any class transferred to the Person; and
 - (c) on transferring a part of the Person's Shares of any class, to a certificate for the balance of the holding.
- 7.2. A Shareholder is entitled to additional certificates, each for 1 or more of the Shareholder's Shares, on payment for every certificate after the first, of the reasonable amount (if any) decided by the Directors of the Company.
- 7.3. Every certificate must specify the number, class and distinguishing numbers (if any) of the Shares to which it relates, and the amount or respective amounts Paid-up on them.
- 7.4. The Company is not required to issue more than 1 certificate for Shares held jointly by 2 or more Persons, and delivery of a certificate to a joint holder is sufficient delivery to all of them.
- 7.5. If a share certificate is lost, stolen or destroyed, the Company may replace it if the Company receives the evidence of the shareholding right that it requires, the indemnity (if any) that it requires, and is paid the reasonable amount (if any) decided by the Directors for the expenses incurred by the Company in investigating the evidence and providing the replacement certificate.
- 7.6. If a share certificate has become damaged or worn, the Company may replace it if the Company is given the certificate and is paid the reasonable amount (if any) decided by the Directors for the expenses incurred by the Company in providing the replacement certificate.

8. TRANSFER OF SHARES

- 8.1. Subject to the Companies Regulations, the instrument of transfer of a Share in the Company may be in any form approved by the Directors of the Company. The instrument of transfer must be executed by or on behalf of the transferor.

- 8.2. The Company may refuse to register the transfer of a Share in the Company only if the instrument of transfer, the share certificate, and any other evidence that the Directors may reasonably require, are not duly filed at the registered office of the Company or the office of the agent that maintains the Company's Register of Shareholders.
- 8.3. The Directors of the Company may suspend the registration of transfers of Shares in the Company at the times and for the periods (not exceeding 30 days in any year), as decided by them, acting reasonably.
- 8.4. The Company may charge a reasonable fee for the registration of any instrument of transfer.
- 8.5. The Company must keep any instrument of transfer that is registered.

9. TRANSMISSION OF SHARES

- 9.1. If a Shareholder dies, the Shareholder's Personal Representative, or, if the Shareholder was a joint holder, the survivor or survivors, are the only Persons who may be recognised by the Company as having title to the Shareholder's Shares.
- 9.2. If a Person becomes entitled to a Share as a result of the death or bankruptcy of a Shareholder and gives notice to the Company of the entitlement, the Person must be registered as a Shareholder in relation to the Share. On registration, the Person has the same rights as other Shareholders of the same class of Shares.

10. ALTERATION OF SHARE CAPITAL

- 10.1. The Company may, by Special Resolution:
 - (a) increase its share capital by creating new Shares of an existing class with the same nominal value, or a new class of Shares of the nominal value it considers appropriate; or
 - (b) consolidate and divide its share capital (whether allotted or not) into Shares representing a larger nominal value than their existing nominal value ; or
 - (c) subdivide its Shares, or any of them, into Shares representing a smaller nominal value than their existing nominal value, if the proportion between the amount paid and the amount unpaid (if any) on each subdivided Share is the same as it was for the Share from which the sub-divided Share was derived.
- 10.2. Any fractions of Shares resulting from a consolidation of Shares may be sold by the Directors of the Company on behalf of the Shareholders and the net proceeds distributed proportionately among the Shareholders.
- 10.3. The Company may, in accordance with the Companies Regulations, reduce its share capital in any way and the terms that it may decide.

11. PURCHASE OF OWN SHARES

Subject to the provisions of the Companies Regulations, the Company may purchase its own Shares.

12. GENERAL MEETINGS

12.1 The Directors of the Company may call General Meetings.

12.2 On a Shareholders' request under section 95 of the Companies Regulations, the Directors or, if appointed, the Secretary, of a Company must promptly call a General Meeting or a meeting of holders of any class of Shares. The meeting must be held as soon as practicable, but not later than 2 months after the day the request is made.

13. REQUISITION AND NOTICE OF GENERAL MEETINGS

13.1. Subject to the Companies Regulations, if the Company is a Public Company, a General Meeting of the Company (other than an Annual General Meeting or adjourned Annual General Meeting) must be called by at least 14 days Written notice to all the Shareholders, the Directors and the auditor.

13.2. If the Company is a Public Company, an Annual General Meeting, or adjourned Annual General Meeting, of the Company must be called by at least 21 days Written notice to all the Shareholders, the Directors and the auditor.

13.3. Subject to the Companies Regulations, a notice of a General Meeting must specify the time and place of the meeting, the general nature of any matters to be considered, and any proposed Resolutions of which notice has been duly given. A notice of an Annual General Meeting must state that the meeting is an Annual General Meeting to the Company or to be proposed by the Company and whether any of them is to be proposed as a Special Resolution.

13.4. The proceedings of a General Meeting are not invalid solely because of the inadvertent failure to give notice of the meeting to, or the failure to receive notice of the meeting by, any Person entitled to receive the notice.

14. PROCEEDINGS AT GENERAL MEETINGS

14.1. No General Meeting of the Company may take place unless there is a quorum. Unless the Company has only a single Shareholder, 2 Shareholders personally present or represented by proxy are a quorum.

14.2. If a quorum is not present at a General Meeting within half an hour after the time specified in the notice calling the meeting (the **meeting start time**), the meeting must be adjourned to a place and time decided by the Directors of the Company. If during the meeting a quorum ceases to be present, the meeting must be adjourned to a place and time decided by the Directors.

14.3. The Chair of the board of Directors of the Company chairs the meeting. However, if the Chair of the board of Directors is not present or willing to act within 15 minutes after the meeting start time, another Director elected by the Directors present must chair the meeting. If no Directors are present or willing to chair the meeting, the Shareholders present must elect a Shareholder present to chair the meeting.

14.4. Every Director of the Company is entitled to attend and speak at any General Meeting and at any separate meeting of the Shareholders of any class of Shares in the Company, whether or not the Director is a Shareholder or a Shareholder of that class of Shares.

14.5. The Person chairing the meeting (the **meeting chair**) may adjourn the meeting with the consent of the majority of the votes at the meeting. A matter must not be considered at the adjourned meeting if the matter could not have been considered at the meeting had the adjournment not taken place. It is not necessary for notice to be given of the adjourned

meeting unless the meeting was adjourned for 14 days or longer. If the meeting was adjourned for 14 days or longer, at least 7 days notice of the meeting must be given. The notice must specify the time and place of the adjourned meeting, the general nature of any matters to be considered, and any proposed Resolutions of which notice has been duly given.

- 14.6. Unless a poll is demanded, a resolution put to the vote must be decided on a show of hands. A poll may be demanded, before or on the declaration of the result of a vote by show of hands:
- (a) by the meeting chair; or
 - (b) by at least 2 Shareholders having the right to vote at the meeting; or
 - (c) by a Shareholder representing not less than 5% of the total voting rights of all the Shareholders having the right to vote at the meeting.
- 14.7. Unless a poll is demanded, the meeting chair may declare that a resolution has been carried or lost by a particular majority. The entry in the minutes of the meeting of that declaration is conclusive evidence of the result of the resolution.
- 14.8. The meeting chair may consent to the withdrawal of a demand for a poll.
- 14.9. A poll must be taken in the way the meeting chair directs and the result is the resolution of the meeting at which the poll was demanded.
- 14.10. A poll demanded on the election of the Person who is to chair the meeting or on an adjournment must be taken immediately. A poll demanded on any other question must be taken as the meeting chair directs, but not more than 30 days after the day the poll is demanded. The demand for a poll does not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll is demanded.
- 14.11. If a poll demanded at a meeting is not taken at the meeting, at least 7 days Written notice must be given of the time and place at which the poll is to be taken, unless the time and place is announced at the meeting.
- 14.12. If the Company is a Private Company, resolution in writing may be passed in accordance with the Companies Regulations.

15. VOTES OF SHAREHOLDERS

- 15.1. On a show of hands, every Shareholder present, including the representative of a Body Corporate Shareholder, has 1 vote. On a poll, every Shareholder has 1 vote for every Share held. This Article is subject to any rights or restrictions attached to any Shares.
- 15.2. Joint Shareholders may only exercise 1 vote or 1 vote per Share, as the case may be. If more than 1 vote is cast by joint Shareholders, only the vote of the joint Shareholder whose name appears first on the Company's Register of Shareholders may be taken into account.
- 15.3. If a Shareholder of the Company has a personal representative appointed because of a physical or mental disability, the personal representative may exercise the voting rights of the Shareholder if the personal representative has given notice to the Directors in the form of proxy used by the Company and within the time limit for filing proxies before any meeting being held or vote being taken.

- 15.4. An objection may only be raised at a General Meeting to the right of any Person to vote at the meeting or on a poll arising from the meeting. The meeting chair must rule on the objection unless the objection relates to the meeting chair. The decision of the meeting chair is final.
- 15.5. A Shareholder may vote on a poll by proxy.
- 15.6. An instrument appointing a proxy to vote at a General Meeting, or on a poll arising from a General Meeting, must be in Writing in a form approved by the Company and distributed with the notice of a meeting or poll. The form must include a section allowing the Shareholder to direct the proxy on how the proxy must act.
- 15.7. An instrument appointing a proxy must be deposited at the registered office of the Company at least 48 hours before the General Meeting at which the proxy is to be exercised. For a poll that is not being taken immediately but sometime after it is demanded, an instrument appointing a proxy may be deposited at the poll with the meeting chair, the Secretary or any Director present or at any time before the poll at the registered office of the Company.
- 15.8. A vote given or poll demanded by proxy is valid despite the revocation of the proxy by the Shareholder who appointed the proxy unless the Company receives notice from the Shareholder before the vote is taken or the poll is demanded.

16. NUMBER OF DIRECTORS

If the Company is a Private Company, the Company must have at least 1 Director. If the Company is a Public Company, the Company must have at least 2 Directors.

17. ALTERNATE DIRECTORS

- 17.1. The Chair of the board of Directors or another Director of the Company (the **appointor**) may appoint any other Director, or any other Person approved by the Directors, as the appointor's alternate (the **appointee**), and may revoke the appointment at any time. The appointee may Exercise all the Functions of the appointor as a Director and, if the appointor is the Chair of the board of Directors, as the Chair, but is not entitled to remuneration.
- 17.2. The appointor and appointee must both be given notice of all Directors meetings of which the appointor is entitled to receive notice.
- 17.3. The appointee is entitled to attend and vote at Directors meetings, and counts towards the quorum, if the appointor is absent.
- 17.4. The appointee is not the agent of the appointor and the appointor is not responsible for anything done or omitted to be done by the appointee.
- 17.5. The appointee holds office for as long as the appointor holds office as a Director unless the appointee's appointment is revoked by the appointor.
- 17.6. The appointor must give notice of the appointment of the appointee, and any revocation of the appointment, to the Company.

18. POWERS OF DIRECTORS

18.1. Subject to the Companies Regulations and these Articles, the business of the Company must be managed by the Directors. No amendment of these Articles invalidates any act of a Director or the Directors.

18.2. The Directors of the Company may appoint a Person to be the agent of the Company.

19. DELEGATION OF DIRECTORS' POWERS

The board of Directors of the Company may delegate any of its powers to a managing Director, executive Director or a committee of Directors.

20. APPOINTMENT AND RETIREMENT OF DIRECTORS

20.1. At the first Annual General Meeting of the Company, all Directors must retire from office. At every subsequent Annual General Meeting at least one third, or number nearest to one third, of the Directors who are subject to retirement by rotation must retire.

20.2. The Directors subject to retirement by rotation are those that have been longest in office since their last appointment. For Directors appointed on the same day, the Director or Directors to retire must be decided by whose name appears first on the Company's Register of Directors.

20.3. However, a Director remains in office if the Director is willing to remain in office and the Company, at the meeting at which the Director retires by rotation, resolves not to fill the vacancy.

20.4. A Person (other than a Director retiring by rotation) must not be appointed a Director of the Company at a General Meeting unless the Person has been recommended by the Directors or a Shareholder and the Person's details have been included in the notice of meeting at which the appointment is considered. The details must include at least the information that would be included in the Company's Register of Directors if the Person were to be appointed.

20.5. Additional Directors may be appointed by the Company by resolution if the total number of Directors does not exceed any maximum number of Directors prescribed by the Companies Regulations or these Articles.

20.6. A Director appointed under subarticle 20.5 holds office only until the next Annual General Meeting. The Director must retire at that meeting, but may be reappointed in accordance with these Articles.

21. DISQUALIFICATION AND REMOVAL OF DIRECTORS

A Director's office is automatically vacated if the Director:

- (a) is prohibited by the Companies Regulations from being a Director; or
- (b) becomes bankrupt; or
- (c) is, because of any mental or physical disability, incapable (otherwise than on a temporary basis) of performing the duties of a Director; or
- (d) is absent from 3 consecutive meetings of the board of Directors, except on leave of absence given by the board of Directors; or

23. **DIRECTORS' APPOINTMENTS**

Subject to the Companies Regulations, the Directors of the Company may appoint 1 or more Directors to the office of managing Director or to any other executive office under the Company. An appointment may be made on the terms that the Directors determine. Any appointment of a Director to an executive office ends if the Director ceases to be a Director. A managing Director and a Director holding any other executive office are not subject to retirement by rotation.

24. **BENEFITS FOR DIRECTORS ETC.**

The Directors of the Company may provide benefits, including gratuities and pensions, of any kind for any present or past Director, any Shareholder or the family of any present or past Director or any Shareholders.

25. **PROCEEDINGS OF DIRECTORS**

- 25.1. Subject to these Articles, the Directors of the Company may conduct their proceedings (including their meetings) as they consider appropriate.
- 25.2. The board of Directors is to meet at the times and places that it decides.
- 25.3. However, a Director may, and the Secretary at the request of a Director must, call a meeting of the board of Directors.
- 25.4. A question arising at a meeting of the Board of Directors is to be decided by a majority of Directors present, in person or by alternate, and voting. However, the Person chairing the meeting (the **meeting chair**) also has a casting vote if the votes on any question are equal.
- 25.5. Business may be conducted at a meeting of the board of Directors only if a quorum is present. A quorum is 2 or, if the Directors have fixed another number, that number. If a Director is required not to vote on a resolution because of a conflict of interest, the Director must not be counted in working out whether there is a quorum in relation to the resolution.
- 25.6. If the number of Directors of the Company is less than the number fixed as the quorum, the continuing Directors or Director may act only for the purpose of filling vacancies or of calling a General Meeting.
- 25.7. The Directors of the Company must appoint a Director to be the Chair of the board of Directors and may at any time remove the Chair from that office.
- 25.8. The Chair of the board of Directors must chair all meetings of the board of Directors at which the Chair is present. If there is no Director holding office as Chair, or if the Chair is unwilling to chair a meeting or is not present, in person or by alternate, within 5 minutes

after the time appointed for the meeting, the Directors present may appoint a Director present to chair of the meeting.

- 25.9. Subject to any decision of the board of Directors, a resolution in Writing signed by all the Directors of the Company (or their alternates) is as valid and effective as if it had been passed at a meeting of the board of Directors of the Company. The resolution may consist of several Documents in the like form each signed by 1 or more Directors (or their alternates).
- 25.10. Without limiting the duties of a Director under the Companies Regulations, a Director must not vote at a meeting of Directors on any resolution concerning a matter in which the Director has a direct or indirect conflict of interest. For this subarticle, an interest of a Director includes an interest of any Person who is connected to the Director.
- 25.11. Subject to the Companies Regulations, the Company may, by Resolution, suspend or relax any provision of these Articles prohibiting a Director from voting at a meeting of Directors.
- 25.12. An objection may only be raised at a meeting of the Directors to the right of any Person to vote at the meeting. The chair of the meeting must rule on the objection unless the objection relates to the meeting chair. The decision of the meeting chair is final.

26. SECRETARY

The Secretary (or each joint Secretary) of the Company is to be appointed and removed by the Directors. A Secretary holds office on the terms and conditions of appointment decided by the Directors.

27. MINUTES

The Directors of the Company must ensure that minutes are kept of:

- (a) all appointments of Officers made by the Directors; and
- (b) all proceedings at General Meetings, meetings of Shareholders of any class of Shares of the Company, and meetings of the Directors and committees of Directors.

The minutes of a meeting must include the names of the Directors present at the meeting.

28. DIVIDENDS

- 28.1. Subject to the Companies Regulations, the Company may, by Ordinary Resolution, declare dividends in accordance with the respective rights of the Shareholders, but no dividend may exceed the amount recommended by the Directors of the Company.
- 28.2. Subject to the Companies Regulations, the Directors of the Company may pay interim dividends if it appears to them that they are justified by the profits of the Company available for Distribution. If the share capital is divided into different classes, no interim dividend may be paid on Shares with deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrears. If the Directors act in good faith, the Directors do not incur any Liability to Shareholders of Shares with preferred rights for any loss they may suffer by the lawful payment of an interim dividend on any Shares with deferred or non-preferred rights.

- 28.3. The Directors of the Company may recommend, and a General Meeting may declare, that a dividend may be satisfied completely or partly by the Distribution of assets. If any difficulty arises in relation to the Distribution, the Directors may determine the method of settlement.
- 28.4. Any dividend or other amount payable by the Company to a Person (or 2 or more Persons) in relation to a Share of the Company may be paid by cheque.
- 28.5. If the amount is payable to a single Person (the **relevant Person**), the cheque must be sent by post to the registered address of the relevant Person or to the Person and to the address that the relevant Person may direct in Writing. If 2 or more Persons (the **relevant Persons**) are joint holders of the Share or are jointly entitled to it, the cheque must be sent by post to the registered address of whichever of those Persons whose name appears first in the Company's Register of Shareholders or to the Person and to the address that the relevant Persons may direct in Writing.
- 28.6. The cheque must be made payable to the order of the relevant Person or relevant Persons or to the other Person that the relevant Person or relevant Persons may direct in Writing.
- 28.7. Payment of the cheque is a good discharge to the Company.
- 28.8. Any joint holder or other Person jointly entitled to a Share of the Company may give a receipt for any dividend or other amount payable in relation to the Share.
- 28.9. No dividend or other amount payable in relation a Share of the Company bears interest unless otherwise provided by the rights attached to the share.
- 28.10. If any dividend or other amount payable in relation to a Share of the Company has remained unclaimed for 12 years from the day it became due for payment, the Directors of the Company may resolve that the amount is forfeited. If the Directors resolve that any dividend or other amount is forfeited, the dividend ceases to be owing by the Company.

29. INSPECTION OF ACCOUNTING RECORDS ETC.

A Shareholder of the Company does not have a right to inspect any Accounting Records, other books or other Documents of the Company except so far as the right is provided to the Shareholder by law or the inspection is authorised by the Directors or the Company.

30. CAPITALISATION OF PROFITS

The Directors may, with the authority of a Resolution of the Company:

- (a) subject to this article, resolve to capitalise any undistributed profits of the Company not required for paying any preferential dividend (whether or not they are available for Distribution) or any amount standing to the credit of the Company's share premium account or capital redemption reserve; and
- (b) appropriate the amount resolved to be capitalised to the Shareholders who would have been entitled to it if it were distributed by way of dividend and in the same proportions and apply the amount on their behalf in allotting any Shares or Debt Securities not issued as fully Paid-up Shares or debentures of the Company of a nominal amount equal to that amount; and
- (c) make by payment in cash or otherwise as the Directors decide for Shares or debentures becoming distributable under this article in fractions; and

- (d) authorise any Person to enter into a binding agreement with the Company on behalf of all the Shareholders concerned providing for the Allotment to them respectively, credited as fully Paid-up, of any Shares or debentures to which they are entitled on the capitalisation.

For paragraph (b), the share premium account, the capital redemption reserve, and any profits that are not available for Distribution may, for the purposes of this article, only be applied in allotting Shares not issued to Shareholders as fully Paid-up.

31. NOTICES

- 31.1. Any notice under these Articles must be given in Writing.
- 31.2. The Company may give any notice to a Shareholder of the Company either personally or by sending it by post in a prepaid envelope addressed to the Shareholder at the Shareholder's registered address or by leaving it at that address. For the joint holders of a Share, all notices must be given to the joint holder whose name appears first in the Company's Register of Shareholders in relation to the joint holding and notice so given is sufficient notice to all the joint holders.
- 31.3. A Person present, either in person or by proxy, at any meeting is taken to have received notice of the meeting.
- 31.4. Every Person who becomes entitled to a Share of the Company is bound by any notice in relation to the Share.
- 31.5. Proof that an envelope containing a notice was properly addressed, prepaid and posted is conclusive evidence that the notice was given 48 hours after it was posted. A notice is taken to be given at the end of 48 hours after the envelope containing it was posted.
- 31.6. A notice may be given by the Company to the Persons entitled (or claiming to be entitled) to a Share as a result of the death or bankruptcy of a Shareholder by sending it by post to, or leaving it at, the address provided by them to the Company. Until an address has been provided to the Company, a notice may be given by the Company in relation to the Share in any way in which it might have been given if the death or bankruptcy had not happened.

32. INDEMNITY

The Company must indemnify every Person who is or has been Director, other Officer or auditor of the Company in relation to any Liability incurred by the Person in defending any proceeding in relation to the Company to the extent allowed by the Companies Regulations.

33. AMENDMENT OF THESE ARTICLES

These Articles may only be amended by Special Resolution.
