

AIFC INVESTMENT TAX RESIDENCY PROGRAMME

Invest in one of the most
competitive economies
in Central Asia

ABOUT

WHAT IS THE

AIFC Investment Tax Residency Programme (ITRP)?

AIFC Investment Tax Residency Programme allows foreign nationals (and stateless persons) to make investments to the variety of financial instruments and apply for a long-term investor visa or temporary residence permit and tax residency under simplified conditions.

What are the prerequisites for joining the ITRP?

The candidate must be at least 18 years old

The candidate has not been a citizen of Kazakhstan within last 20 years

The candidate has not been a tax resident of Kazakhstan within last 20 years

BENEFITS

What opportunities can ITRP provide to investors?

-  multi-entry visa for the investor and his/her immediate family or temporary residence permit
-  favorable terms for obtaining tax residency in Kazakhstan (90 days of stay instead of 183 days)
-  tax exemption for income derived from ITRP investment instruments
-  tax exemption for foreign-sourced income of participants holding a tax residency certificate
-  tax exemption for income under the requirements for controlled foreign companies

Available investment instruments:

- Securities listed on Astana International Exchange www.aix.kz
- Share capital of AIFC legal entity
- Digital assets through AFSA-licensed platforms
